## Browsing upcoming shows:

1. From any page, click on the “**Genres**” link on the navigation bar in the top left of the page. There are six genres to choose from: Rock, indie, pop, country, jazz, and rap. To scroll through all available genres, click the arrow on either side of the outside images. Once you find a genre you’re interested in, click the image.

2. From here, you will see the upcoming concerts for whichever genre you selected. Click on of the concerts to learn more about it.

3. At this point, you will find details for the concert that you chose. Read the section on “Saving a Concert” to learn about how to save events to your profile.

**Red Hot Chili Peppers**

**Location:** Charlotte Metro Credit Union Amphitheatre  
**Date:** August 14, 2021  
**Time:** 6:00 PM

**Are you going?**

**Details**  
Get excited for the Red Hot Chili Peppers! This will be there 4th performance in Charlotte, NC and 6th stop on their 2021 tour.

## Saving a Concert:

You must be logged in to save a concert. If not logged in, view the “Logging In” section. To save a concert to your profile, simply click either Yes”, “No”, or “Maybe”. You will then be directed to a list of all your saved concerts.

## Updating an RSVP Status:

To update an event status that you have previously saved, click on “**My Connections**”. From there, click the **update** button next to the event you want to modify. You will be redirected to that event page where you can edit your RSVP decision.

Concerts Confirmed	Genre	Going?	RSVP	
Red Hot Chili Peppers	Rock	yes	Update	Delete

## Deleting a Saved Concert:

To delete an event that you have previously saved, click on the “**My Connections**” link. Next, click the **delete** button next to the event that you want to remove.

Concerts Confirmed	Genre	Going?	RSVP	
Red Hot Chili Peppers	Rock	yes	Update	Delete

## Creating a New Concert

To create a new concert, you must click on the “**Start a new connection**” link in the top right on the navigation bar. Note, you must be logged in to perform this function. Once on the new connection page, enter the details for your event. Make sure to fill out every field. Once completed, click the submit button and your event will be saved for other users to see. This event will also show up in your saved connections.
